

NATIONAL TOUR 2022 Impermanence

IMPERMANENCE

After the critically acclaimed world premiere of *Impermanence* in Sydney in February 2021, Sydney Dance Company will tour the visceral and thrilling work by Rafael Bonachela nationally from June 2022.

Impermanence sees Bonachela join forces with contemporary composer Bryce Dessner (founding member of iconic American rock band The National), who has composed a new score to be performed live on stage each night by the renowned Australian String Quartet.

This electrifying work, exploring ephemerality, was set to premiere in March 2020 as part of a triple-bill but was postponed due to the pandemic. Bonachela and Dessner used the remaining months of 2020 to turn *Impermanence* into a full-length work.

Dessner's emotionally powerful score, which features Mercury Prize winner Anohni's *Another World* in the closing movement, has been co-commissioned by Sydney Dance Company and the Australian String Quartet, who last worked together on Bonachela's *Frame of Mind* in 2018 with music also composed by Dessner.

On Dessner and *Impermanence*, Bonachela said, "It's been so wonderful to work with Bryce Dessner on this exciting new piece. His work, including scores for the Oscar nominated films *The Revenant* and *The Two Popes*, is stunning and I am thrilled that Sydney audiences will finally have the chance to experience this incredible piece. After our premiere was postponed in March 2020, Bryce and I decided to take the opportunity to turn *Impermanence* into a full-length work. It was initially inspired by the impact of the Notre Dame blaze and the Australian bush fires of 2019, exploring the transience and fragility of existence. After what the world has been through this year, its return is even more poignant. To have Bryce's score performed live on stage by the Australian String Quartet will be incredible for both our audience and the dancers. There is nothing more powerful than dance performed to live music."

★★★★ 1/2 "A hypnotically beautiful work, stunningly performed by the Company's 17 dancers to music that is visceral and moving" – *Limelight*

★★★★ "Dance moves for the end of the world... Choreographer Rafael Bonachela sets his excellent dancers on a whirling, bounding trajectory that sustains them in duets, trios and interestingly constructed ensembles..." *The Sydney Morning Herald*
